

**California Reserve Peace Officers Association  
45<sup>th</sup> Annual Reserve Peace Officers Conference**

**August 8 - 11, 2023**

**Bally's Lake Tahoe**

**55 Highway 50, Stateline, NV 89449**

Your organization is invited to become a vendor at our Annual Reserve Peace Officers Conference (ARPOC). ARPOC 2023 will provide high quality training to sworn reserve law enforcement officers from all over California. More than 200 peace officers and guests are expected to attend.

ARPOC 2023 will include a highly visible vendor area. Vendor applications are being accepted now from organizations that would like to expose their products and services to a large group of motivated buyers. These peace officers want the best in equipment, supplies and training. Their dedication is proven by the expenditure of their own money to equip and train themselves, and by the donation of their valuable time protecting the communities they live and work in.

The standard vendor space price is \$100, which includes one six foot table with draping, two chairs and mid-day refreshments. A meal package is available for an extra fee. There are a limited number of booths available for this conference. Reserve your booth now by completing the application on the next page and returning it with payment via email, fax or U.S. Mail.
