46th Annual Reserve Peace Officers Conference
August 7 - 10, 2024**

**Los Angeles Marriott Burbank Airport
2500 N Hollywood Way, Burbank, CA 91505**

Your organization is invited to be a vendor at our Annual Reserve Peace Officers Conference (ARPOC). ARPOC 2024 will provide high-quality training to sworn reserve law enforcement officers from all over California. More than 300 peace officers and guests are expected to attend.

ARPOC 2024 will include a highly visible vendor area. Vendor applications are being accepted now from organizations that would like to expose their products and services to a large group of motivated buyers. These peace officers want the best equipment, supplies, and training. Their dedication is proven by the expenditure of their own money to equip and train themselves, and by the donation of their valuable time protecting the communities they live and work in.

The standard vendor space includes one six-foot table with draping, two chairs and refreshments. A meal package is available for an extra fee. There are a limited number of booths available for this conference. Reserve your booth now by completing the application on the next page and returning it with payment via email, fax, or U.S. Mail.
